2            **JAKE ALMEIDA:** Okay, good afternoon,  
3 everyone. I'd like to welcome you to today's  
4 Administrative Order, or AO, 360 stakeholder input  
5 session for Chapter 33, Special Programs regulations.  
6 Thank you for taking the time to join us.  
7            The purpose of this meeting is to hear  
8 directly from stakeholders and members of the public  
9 regarding regulatory burdens or barriers you believe  
10 should be addressed as part of Alaska's AO 360 reform  
11 project.  
12            Your input is critical in helping us  
13 shape meaningful changes that support students and  
14 schools. And to honor your time today, the session  
15 will end promptly on the hour.  
16            These stakeholder meetings are  
17 opportunities for us to listen to your perspectives  
18 before any regulations should be drafted, amended, or  
19 repealed. This is not the formal public comment  
20 process under the Administrative Procedure Act, or APA.  
21 That process will begin later after draft regulations  
22 have undergone legal review and have been formally  
23 approved for public comment.  
24            As part of our regulatory reform plan,  
25 the department must create a list of all the comments

Page 3

1 we receive during this stakeholder process along with  
2 whether we intend to implement each recommendation that  
3 you as stakeholders make. And if we do not adopt a  
4 recommendation, we are required to explain why not.  
5 And that's why your feedback today would be so valuable  
6 to us. It will directly shape our department's  
7 analysis and inform you of the next step.  
8            So to proceed today, we'll first hear a  
9 short overview of the regulations for this meeting, and  
10 then we'll move into the comment period where you can  
11 share your input.  
12            Verbal feedback will be recorded,  
13 summarized, and included in our department's reform  
14 plan, and written feedback will also be accepted for 30  
15 days following this session. And please refer to the  
16 chat for all the information on submitting verbal or  
17 written feedback that I'm making reference to.  
18            So with that, I will now hand it over to  
19 Ms. Heather Heineken who is our director of finance and  
20 support services for the department, and she will give  
21 you an overview of what Chapter 33 regulations are and  
22 what they entail. Over to you, Heather.  
23            **HEATHER HEINEKEN:** Good afternoon, thank  
24 you. Chapter 33 of 4 AAC establishes special programs  
25 administered by the Department of Education and Early

Page 4

1 Development. The chapter is organized into several  
2 articles. Today's focus is on Articles 1, 2, 3, 4, and  
3 6.  
4            Article 1 covers special schools which  
5 establishes the framework for state designated special  
6 schools and charter schools. It includes provisions  
7 for residential schools, such as Mt. Edgecumbe and  
8 district-operated statewide residential programs,  
9 outlines administrations requirements, and defines the  
10 department's authority over special programs.  
11            It also establishes the process for  
12 charter school applications, amendments, operations,  
13 contracts, renewals, and performance accountability  
14 along with the charter school grant program.  
15            Article 2 covers grants for the  
16 improvement of school performance which establishes the  
17 department's authority to award grants to districts for  
18 improving student performance and school outcomes. It  
19 includes eligibility requirements, application  
20 procedures, requirements for districts or school  
21 improvement plans, expectations for measurable results,  
22 timelines, and how the department monitors use of funds  
23 and progress towards goals.  
24            Article 3 is the quality schools funding  
25 grants which establishes the quality schools grant

Page 5

1 program intended to support statewide school  
2 improvement efforts. It covers criteria districts must  
3 meet to qualify, the purpose of the funding, required  
4 components such as performance-based planning, local  
5 reporting, and how the department determines awards and  
6 monitors the use of these grants.  
7            Article 4 is the correspondence studies  
8 program which establishes requirements for a school  
9 district-operated correspondence programs. This  
10 includes rules for student enrollment, allotment  
11 accounts, use of public funds for instructional  
12 materials and services, curriculum oversight, student  
13 programs documentation, teacher involvement, and  
14 department authority to review, audit, place programs  
15 on a corrective action, or require repayment for  
16 non-compliance.  
17            And finally Article 6 is funding for  
18 improvement of Internet speeds at public schools which  
19 establishes a program to support broadband and Internet  
20 speed improvement in public schools, otherwise known as  
21 "the beg." It includes eligibility for funding, how  
22 districts apply, allowable project types such as  
23 infrastructure upgrades or bandwidth increases,  
24 prioritization for rural or high cost areas, and the  
25 department's role in improving, monitoring, and

1 reporting on funded projects. Thank you.  
2 **JAKE ALMEIDA:** All right, thank you so  
3 much for that, Heather. A lot of regulations there.  
4 It's always good to have an overview.  
5 So we are now in the comment section of  
6 this stakeholder meeting. And as stated before, there  
7 is a link in the chat sign up for verbal comment today.  
8 If you click on that link, you just fill out a couple  
9 questions of name, affiliation and then your name pops  
10 up on my sign-up sheet here and I will call our your  
11 name as names pop up on the sign-up sheet. Everyone  
12 commenting will have two minutes to give their  
13 testimony, and always we ask that you please place your  
14 name and any affiliation on the record and give your  
15 two minutes. If you have specific questions, we can  
16 answer that, but if you're just stating your opinion of  
17 the regulations, we're just here to listen and always  
18 appreciate that.  
19 Again, there is a link in the chat. If  
20 you are not able to access the link, you can also just  
21 click on the raise hand icon on the bottom of your Zoom  
22 task bar and we can acknowledge you that way as well.  
23 So seeing not immediate signups or hands  
24 up, we will just continue to wait for anyone that wants  
25 to give comment to do so, and if no one signs up for

1 you can always go to our website at  
2 education.alaska.gov/ao360, and your comments will also  
3 be submitted into the record that way. So thank you  
4 all. We will now conclude this meeting.

1 comment, we will end at approximately 20 after. So we  
2 are on standby for anyone to give comment. Thank you.  
3 (Pause)  
4 **JAKE ALMEIDA:** All right, we have Mr.  
5 Seth Haines with the Chugach School District, it looks  
6 like. Mr. Haines, if you want to place your name on  
7 the record, and you have -- can give your testimony for  
8 two minutes.  
9 **SETH HAINES:** Well, this was more a  
10 clarification question. To be clear, there is a 30-day  
11 period for submitting written comments, is that  
12 correct --  
13 **JAKE ALMEIDA:** That is correct.  
14 **SETH HAINES:** -- following today? Okay,  
15 thank you for the clarification.  
16 **JAKE ALMEIDA:** Yep. No worries, thanks.  
17 (Pause)  
18 **JAKE ALMEIDA:** Okay, we will now go ahead  
19 and conclude this public stakeholder meeting for  
20 Chapter 33, Special Programs regulations. For those  
21 still with us in the chat, there was just a link put  
22 again for the survey link. If you want to fill out the  
23 survey and submit your comment that way, that would be  
24 great.  
25 And for those watching us after the fact,
