 2            **JAKE ALMEIDA:** Okay, good afternoon,  
 3 everyone. I'd like to welcome you to today's  
 4 Administrative Order, or AO, 360 stakeholder input  
 5 session on Chapter 52, Education For Children With  
 6 Disabilities and Gifted regulations. Thank you for  
 7 taking the time to join us.  
 8            The purpose of this meeting is to hear  
 9 directly from stakeholders and members of the public  
 10 regarding regulatory burdens or barriers you believe  
 11 should be addressed as part of Alaska's AO 360 reform  
 12 project.  
 13            Your input is critical in helping us  
 14 shape meaningful changes that support students and  
 15 schools. To honor your time today, this session will  
 16 end promptly on the hour.  
 17            These stakeholder meetings are important  
 18 opportunities for us to listen to your perspectives  
 19 before any regulations should be drafted, amended, or  
 20 repealed. This is not the formal public comment  
 21 process under the Administrative Procedure Act, or APA.  
 22 That process would only begin later after draft  
 23 regulations have undergone official legal review and  
 24 have been formally approved for public comment.  
 25            As part of our regulatory reform plan,

Page 3

1 the department must create a list of all the comments  
 2 we receive during this stakeholder process along with  
 3 whether we intend to implement each recommendation that  
 4 you as a stakeholder should make. And if we do not  
 5 adopt a recommendation, we are required to explain why  
 6 not. And that's why your feedback is so valuable to us  
 7 as it will directly shape our department's analysis and  
 8 inform you of the next steps of this process.  
 9            So to proceed today, we'll first hear a  
 10 short overview of the regulations for this meeting,  
 11 then we'll move into the comment period where you may  
 12 share your input.  
 13            Verbal feedback will be recorded,  
 14 summarized, and included in the department's reform  
 15 plan. Written feedback will also be accepted for 30  
 16 days following this session, and please refer to the  
 17 chat for information on submitting either.  
 18            So now I will hand it over to Ms. Deb  
 19 Riddle with our IEE division, and she will walk through  
 20 the regulations at a high level and explain what they  
 21 are. So over to you, Deb  
 22            **DEBORAH RIDDLE:** Thanks, Jake. This is  
 23 Deb Riddle, I'm the division operations manager for the  
 24 Division of Innovation and Education Excellence. And  
 25 we're going to talk today about Chapter 52, Education

Page 4

1 For Children With Disabilities.  
 2            Special education regulations are related  
 3 to services provided by districts to ensure a free and  
 4 appropriate education, or FAPE, to all eligible  
 5 children with disabilities age 3 through 21 residing in  
 6 the district, including highly mobile, home educated,  
 7 suspended or expelled, and those with various public  
 8 and private educational settings.  
 9            The regulations address procedures  
 10 associated with Child Find which requires districts to  
 11 identify, locate, and evaluate all children suspected  
 12 of having a disability through an annual public notice  
 13 screening and referral.  
 14            Once parental consent is obtained, the  
 15 district must evaluate the child, determine the  
 16 eligibility based on the specific disability criteria,  
 17 and develop an Individualized Education Program, or an  
 18 EIP.  
 19            The regulations address timelines  
 20 associated with all special education requirements and  
 21 the role of parents as service providers in the  
 22 process.  
 23            Chapter 52 also addresses the need for  
 24 districts to provide the least restrictive environment  
 25 and includes necessary accommodations and elements such

Page 5

1 as transition services and assistive technology.  
 2            These regulations also provide the  
 3 process and requirements for identifying students who  
 4 require intensive services and how the state supports  
 5 districts through the foundation formula. And back to  
 6 you, Jake, thanks.  
 7            **JAKE ALMEIDA:** All right, thank you for  
 8 that, Deb. So we're now in the public comment period  
 9 of this stakeholder meeting. And as stated before, you  
 10 can find in the chat a link to the sign-up sheet. If  
 11 you click on that, you just fill out a couple fields of  
 12 information, and then I call on you when your name pops  
 13 up on the sheet. You'll have two minutes to give your  
 14 comment on these regulations, and of course please  
 15 state any affiliation -- your name and any affiliation  
 16 you may have.  
 17            If you cannot access the link, you can  
 18 just click on the raise hand icon on the bottom of your  
 19 Zoom task bar and you will be acknowledged in the same  
 20 manner.  
 21            So at this time, not seeing anyone on the  
 22 sign-up sheet and not seeing anyone raising their hand,  
 23 we will go on hold and wait, and if we do not hear from  
 24 anyone at about 20 after, then we will just conclude  
 25 the meeting from there.

1           So thank you, and we are now on hold  
2 awaiting public comment.  
3 (Pause)  
4           **JAKE ALMEIDA:** Okay, we will now conclude  
5 this public stakeholder meeting for Chapter 52,  
6 Education For Children With Disabilities and Gifted  
7 regulations.  
8           If you're watching this recording and  
9 would still like to submit feedback regarding these  
10 regulations, you can go to our website at  
11 [education.alaska.gov/ao360](http://education.alaska.gov/ao360) and your comment will still  
12 be submitted for the record that way.  
13           So thank you so much, and we will now  
14 conclude this meeting.
